

It happened in B.C. – it could happen here

## Citizens' Forum on IPPs

### Independent Power Producers

**Date/Location:** 7:00pm Friday, January 22<sup>nd</sup>  
Hellaby Hall, 4<sup>th</sup> and Elliot

**With Guest Speaker:** **John Calvert, Professor**  
*Author, "Liquid Gold: Energy Privatization in British Columbia"*

- ▶ The Yukon Government is working on a policy on IPPs, which could open the door to the privatization of our energy resources.
- ▶ Yukoners have until January 29 to voice their issues and concerns to government about IPPs.
- ▶ Mr. Calvert will speak about the sell-off of B.C.'s energy resources to Private Power Developers, and the disastrous implications it has had for B.C. citizens.
- ▶ After Mr. Calvert's presentation, there will be a moderated discussion about IPPs and other energy issues in a Yukon context, and the kind of policies and decisions we need to meet our present and future needs.
